

APRIL 28 WEEKLY FISHING REPORT

Lake Nacimiento Report

Spotted Bass and White Bass continue to go strong! Spotted Bass are being caught near rocky shorelines, plastic worms, Rooster Tails, and Rat L Traps are working best. White Bass are congregating and boiling in Las Tablas cove, use top water lures like Poppers, or smaller spoons like Rooster Tails. Smallmouth and Largemouth bass are being caught at the mouth of coves, Largemouth in the shallows, Smallmouth in slightly deeper water. Plastics, crankbaits, and spinner baits work best for these.

Lake San Antonio Report

The Crappie bite continues. Use Crappie jigs on the shoreline at Half Moon Bay. Drop them in the water slowly, let them drop to a medium depth and slowly jig them. Finding any brush on shore is your best bet. Catfish are being caught regularly near Three Fingers and Half Moon Bay, use anchovies, worms, and stink bait in the mornings or evenings. Smallmouth and Largemouth bass are being caught regularly, the point near Half Moon Bay is producing the best results, use plastics, crankbaits, Rat L Traps, spinner baits, or swim baits.

Water Temp: 64 degrees
Water Elevation: 727 ft
Weather: Highs near 90
Weather this week we are expecting some partly cloudy mornings clearing into beautiful sunny days

Water Temp: 65 degrees
Water Elevation: 655 ft

Weather this week we are expecting some partly cloudy mornings clearing into beautiful sunny days

This week in pictures

Catfish caught at Lake Nacimiento using Crappie Jigs of all things.

Spotted Bass this size are being caught daily at Lake Nacimiento. Using Rooster Tails or other small spoons, top water lures like Poppers, or small swim baits are enticing these regularly.

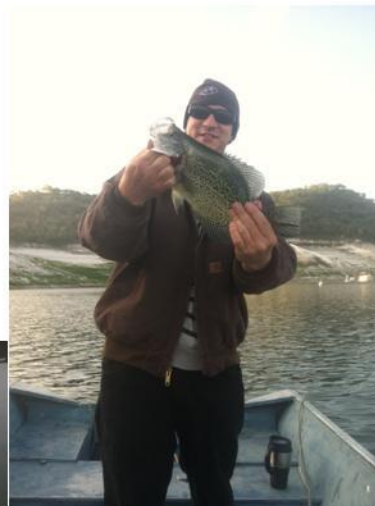

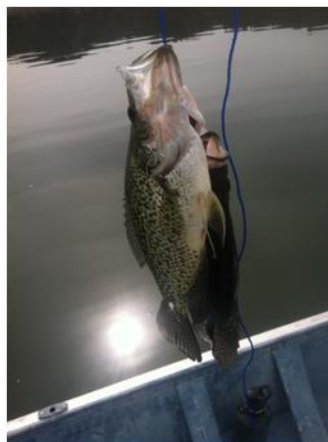

As always we would love to hear your fish tales! Please come in to the Marina or Store and tell us your tale, providing pictures would be highly appreciated!
